

Consider Clinical Health Psychology for a rewarding and stimulating career!

Clinical Health Psychology (CHP -Shared Health /University of Manitoba) has a number of **permanent full-time Clinical Psychologist job opportunities**. Positions are available in both our **Adult Services** and in our **Child & Adolescent Services**, primarily related to new funding and to retirements.

The positions featured here are **Adult Services GFT jobs**, which means they have combined clinical (consult/treatment/assessment) and academic (clinical training/applied research) responsibilities. *The Child & Adolescent Services GFT positions with Clinical Health Psychology will be featured in a second announcement, to be circulated in the next few weeks.*

Permanent GFT Positions (Adult)

Clinical Psychologist – Crisis Response Centre/Adult Eating Disorders	Winnipeg: Health Sciences Centre
Clinical Psychologist – Primary Care/Hospital	Winnipeg: Access Winnipeg West/Grace Hospital
Clinical Psychologist – Operational Stress Injury Clinic	Winnipeg: Deer Lodge Centre
Clinical Psychologist – GeroPsychology Services	Brandon: Brandon Regional Health Centre (Hospital)

Job details and application instructions for these positions can be found on the CPA website <https://cpa.ca/careers/> and our U Manitoba Department of Clinical Health Psychology website http://umanitoba.ca/faculties/health_sciences/medicine/units/clinical_health_psych/

Deadline for initial review of applications is **February 15, 2020**; applications will continue to be accepted until the positions are filled. Beginning career to senior career colleagues are welcome to apply, including those currently on internship/residency and nearing completion of their doctoral degree.

There are also Term (PT/FT) opportunities in both Adult and Child & Adolescent services, related to maternity leaves. The **Adult Term** positions involve mental health diagnostic assessment and group-delivered treatment. This is a great way to connect with your colleagues in CHP and contribute to public access of psychology services. Note that CHP Term positions may at times be filled by applicants who are post-residency and working to complete their dissertation.
