OBJECTIVES

At the conclusion of this event participants should be able to:

- Explore gender identity throughout the lifespan.
- Explore current standards and future directions in transgender care.
- Appreciate the factors affecting decreased sexual arousal and approaches to address this issue

TARGET AUDIENCE

Academic Family Physicians, Residents, Interprofessional Teams, Rural & Remote Practicing Family Physicians, Researchers, Urban Practicing Family Physicians

ABOUT THE MPA

The MPA's objectives are to represent psychiatrists within Doctors Manitoba, as well as to provide a formal regional representation to the Canadian Psychiatric Association and its national components. The MPA plays a role in advocating (along with other groups) for the mental health and psychiatric care of Manitobans, promoting our psychiatric profession, addressing the wellbeing of our profession's practitioners and learners, and fully participating and supporting the ongoing educational needs of its members.

UM

PRESENTERS

DAN KARASIC, MD

Dan Karasic, MD, Professor Emeritus, Psychiatry, UCSF Weill Institute for Neurosciences, has been a UCSF professor since 1991, and opened a telepsychiatry private practice in 2020. He received his M.D. from Yale University and trained in psychiatry at the UCLA Neuropsychiatric Institute.

Dr. Karasic (he/him/his) created and led transgender health programs, and provided care for people with HIV and other medical illnesses, and has done research on treatment of depression. Dr. Karasic was on the Board of Directors of the World Professional Association for Transgender Health, was a co-author of the WPATH Standards of Care, Version 7, and is chapter lead of the Mental Health chapter of WPATH SOC 8. Has has trained many medical students, residents, psychiatrists, and other health providers at UCSF, across the country, and internationally. He has chaired several conferences. He is a Distinguished Fellow of the American Psychiatric Association, current Chair of the APA Workgroup on Gender Dysphoria, a past president of the Association of LGBTQ+ Psychiatrists, and recipient of the 2012 UCSF Chancellor's Leadership Award for LGBT Health.

Dr. Karasic provides psychiatric care and consultation via telehealth throughout California, and can be contacted via dankarasic.com

SARA HUNTER MURRAY, PhD

Sarah Hunter Murray holds a PhD in Human Sexuality from the University of Guelph (Department of Family Relations & Applied Nutrition). She is a leading researcher on how men and women experience sexual desire in their longer-term relationships. Her research has been published in

academic publications including the Journal of Sex & Marital Therapy, The Journal of Sex Research, and Sex Roles. She is also a sought after sex and relationship expert for various mainstream media outlets. Sarah is a Marriage & Family Therapist in private practice in Winnipeg, Manitoba
